

STATEMENT

Conclusions on Code of Conduct implementation reached after discussion between MGMA factories and visiting EU brands

The below statement was read by Daw Khine Khine Nwe, MGMA General Secretary at a press conference following an afternoon meeting with a dozen visiting European brands at Chatrium Hotel on March 24th

MGMA...

- Agrees to implement continuous activities aimed at implementation of the garment industry Code of Conduct and to be transparent about the process.
- Calls on the Government of the Union of Myanmar to establish and enforce a consistent policy framework on labour-related laws.
- Aims to focus on improving systems rather than just issues.
- Recognizes that two things can drive improvements in social compliance practices within factories:
1) Long-term business relationships and 2) Capacity building activities.
